Hey. Can you please send me the screenshots regarding Sue Grimshaw? I'm having a hard time finding all of them. I thank you in advance. I need to see all those that are offensive.

8/17/19, 12:01 PM

Absolutely!! Let me gather links on my phone. And I REALLY, really appreciate you listening and wanting to talk about this. Thank you!

8/17/19, 12:02 PM ✓

I'm always willing to listen.

8/17/19, 12:03 PM

Okay. Here are a few people coming out and talking about likes they saw before she scrubbed them all, plus personal bigotry they experienced with her.

I don't have a rejection letter because she refused to read material my former agent pitched to her.

Sue Grimshaw has in the past rejected manuscripts for having multiracial romance because she stated no one cares about race anymore. But she pushed for white heroes in these many manuscripts. Sue Grimshaw is not qualified to be an editor for authors of color due to her bias.

Some of you remember me tweeting about an editor who, in 2011, was so shocked by my question about pubbing my AA historical romance that she went all 'deer in the headlights'.
THAT EDITOR WAS SUE EFFING GRIMSHAW.

A juxtaposition of Sue Grimshaw's liked tweets (which she's scrubbing of her Trump worshiping) and author of color tweets that she's liked. There were WAAAAY more likes for Trump related content than AoC content.

Leaving El Paso for the White House. What GREAT people I met there and in Dayton, Ohio. The Fake News worked overtime trying to disparage me and the two trips, but it just didn't work. The love, respect & enthusiasm were there for all to see. They have been through so much. Sad!

White Supremacy was created by White Liberal Dems to intimidate black people. If Dems thought hate was an issue, why won't they denounce Antifa?
Is Antifa the modern day White Supremacist used to intimidate people bcuz of the color of their politics?

Why is the media saying it is Trump's fault 21 people died in El Paso but it isn't Elizabeth Warren's fault 9 people died in Ohio?

There are likely other people tweeting their own personal experiences. You may want to do a search for her name on Twitter and see what is being posted.

Oh. And rather than publicly address the issues, Sue blocked me on twitter. She has made no statement that I am aware of to comment on her history of bigoted likes (which I saw for myself on Monday and was horrified. Liking propaganda claiming that white supremacy was invented by Democrats to make Black people afraid? and more).

Hi, Suzan. It's been 4 days now since we originally corresponded. People are asking me (and I'm wondering myself) where Glenfinnan Publishing stands on having Sue Grimshaw as an acquisitions editor. Sue has harmed numerous people during her tenure in Romancelandia with bigotry and racism. Given the fact that her bigotry is still ongoing, as proven by the tweets she liked and then hid en masse, I'm *extremely* concerned with her being in acquisitions for your publishing company. Working with her, and not responding to the valid issues many of us in Romancelandia have, shows at minimum that you have no concern about her

I'm going to do a video discussing this.

I'm doing a video so that people can see my sincerity and hear my tone of voice. Sometimes those things are lost in print.

11:51 AM

So you're keeping her on as an acquisition editor then.
